2. Coordinator of IQAC reported that work on preparation of AQAR report (2018-19) has been continuing. Swami Kamalasthananda, the Honourable Principal of the college, pointed out that since the AQAR format is now changed to more exhaustive and need to be submitted online without any accompanying hard copy, it will take some more time for proper presentation of various data.
3. Swami Kamalasthananda, the Principal Maharaj, proposed the need of establishment of an Innovation Center in the college. Since this is a very costly approach, he doubted about receiving sufficient grant from any Government or non-Government corner.

External Members like Dr. Prabir Kumar Das and Prof. Alok Kumar Banerjee highly appreciated the idea. They remarked that if any teacher or student has some dream in

mind to develop or research out, he can find a way through such center. The center will be a hot breeding ground for such dream to come to light.

4. Principal Maharaj raised the point of patent. He remarked that some of our teachers deserve to get patent through their research work but failing due to ignorance of proper knowledge on method and way of applying or other relevant matters.

Dr. Prabir Kumar Das discussed some aspects on which patent is given. He provided the Principal Maharaj with the name of one expert on patent and requested the Principal to arrange a lecture for the expert for proper upbecoming of our teaching staff engaged in research work.
