11. What are your Hobbies?	Short story writing, Painting,
12. What are your career aspirations?	I want to go to the forest service and also want to research (zoology related) if
13. What lessons you have learnt from your life so far?	According to me, hurdle is everywhere but if you want to get succeed then you should be consistent in your work. get opportunity

Observation & suggestion of the Mentor:

It's no so hard to improve your communication skill. Go through various books (about that zoology), electronic media, try to understand the story and the lesson. Now discuss the matter to your friends in a simple lucid language. Don't be ashamed. Further, always try to make friendship with non bengali speaking persons. Communicating english is also very simple. Don't use very flowing language. Try to express your attitude through short, simple words. Never judge yourself, whether right or wrong in grammatical purity. Overcome shyness.

11. What are your Hobbies?	DRAWING, MUSIC
12. What are your career aspirations?	BECOME A CIVIL SERVICE OFFICER.
13. What lessons you have learnt from your life so far?	DO YOUR BEST. GOD GIVE YOU BEST

Observation & suggestion of the Mentor: Poorness in communication skill particularly in english is a common problem to most of the bengali speaking students. There is no shortcut way. You are to practice speaking in english with your friends, associates and teachers. At the begining use very simple words, don't be scared of grammatical mistakes. The more you exercise, the more you will be an efficient conversationalist. Go through english movies in simple, lucid english. Narrate the story to your friends. Try to listen to BBC world programme on TV. For improving communication skill, listening also important.
