

One day

INVITATION

International Seminar on **Bioactive Natural product and Drug design**

Honorable Key note Speaker: Prof (Dr.) Arun Ghosh, **Ian P. Rothwell Distinguished Professor,**
Purdue University, USA

Topic of Lecture: *Bioactive natural product synthesis, and Nature-inspired molecular design for today's medicine*

Date : 5th July, 2022 : **Time** 1.00 PM

Honorable Invited speaker: Prof (Dr) Samir Patra, Professor, Department of life science, NIT, Rourkela, Orissa

Topic of Lecture: Epigenetics and cancer: Fundamental mechanisms of chromatin modification and modulation of modifiers activity by natural products to cure disease: 5th July, 2.00PM

Organized by: Molecular Mycopathology Lab, Cancer Research Unit, PG Department of Botany, and Swami Vivekananda Center for multidisciplinary Research in Basic Sciences and Social Sciences, Ramakrishna Mission Vivekananda Centenary College (Autonomous), Rahara, Kolkata 700118, India

Patron: Swami Kamalasthananda, Principal; **Organizing Secretary:** Dr Swapan Kr Ghosh (M: 9433203463), Associate Professor
Convener: Dr Tuhin Chatterjee
