Teacher's Enrichment Workshop on Analysis and Topology (2023)

Venue: Ramakrishna Mission Vivekananda Centenary College, Rahara, Khardaha

Dates: 6 Mar 2023 to 11 Mar 2023

In this workshop we will deal with multivariate calculus, complex analysis and metric space topology which are generally taught in the second year second semester and third year in Mathematics honours courses. The main aim is to make the participants aware as how to introduce these topics to the students in interesting ways with lots of examples and to emphasis the interplay between the three topics.

This workshop is mainly intended for Young Faculty Members.
