Strategic plan Process:

First Phase: 2018-2025

2nd Phase : 2025 – 2032

3rd Phase : 2032 – 2039

First Phase : To become a Degree granting Autonomous college with development of all aspects.

Second Phase: To become a Deemed to be University by 2032 with all possible development

Third Phase: To become an Institution of Eminence by 2039.

Here we are concentrating the First Phase Strategic Plan development

Sri. Kanakda
Principal
Ramakrishna Mission
Vivekananda Centenary College
Rahara, Kolkata-700 118

First Phase : To become a Degree granting Autonomous college with development of all aspects.

Methodology 1: More research grant from the Government and private funding agencies

- Encourage the faculty members to apply for different research grant in all State funded research boards. They also apply to Centre funded research grants like DST, SERB, DBT, Atomic research board, DRDO, etc for the different types of research.
- More number of research fellows is to be inducted following the UGC rules and regulation.

Methodology 2: Faculty and staff development plan

Try to convince the state government for the creation of Professor Post in Autonomous College for quality teaching and research.

Methodology 3: Up gradation of the existing UG departments into PG departments.

- Develop the required infrastructure like classrooms and laboratories to upgrade the UG departments into PG departments.
- Furnish the laboratories with state of art instrumentation for PG teaching and research.
- Establish collaboration with research laboratories and national institutes for project and internship.

Methodology 4: Apply for DST FIST for sanction of grant in teaching and research

- Make aware of all prospective departments for preparation of applying this grant.
- Number of publications in Peer Reviewed High Impact Factor journals require to be increased for selection.
- To increase more number of Students' Projects

Principal
Ramakrishna Mission
Vivekananda Centenary College
Rahara, Kolkata-700 118

- To encourage the students to publish papers in UG and PG level in the peer reviewed journals

Methodology 5: Apply for DBT STAR COLLEGE for sanction of grant in teaching and learning

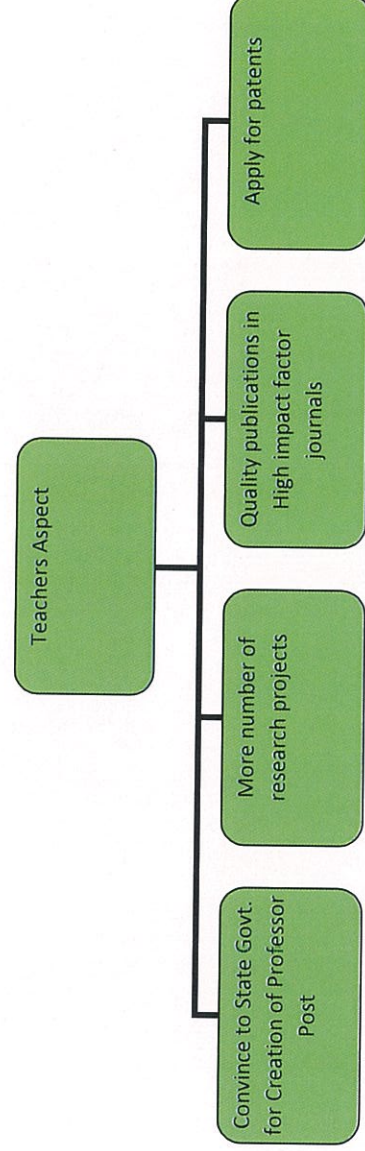

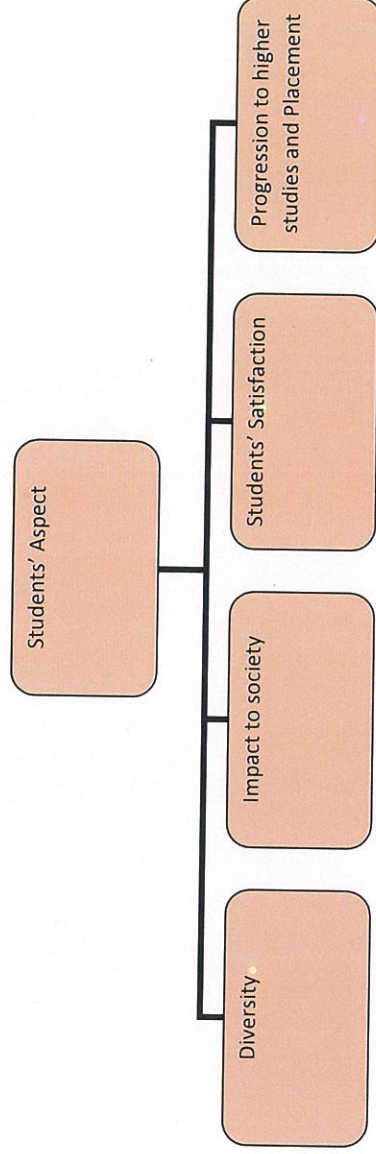

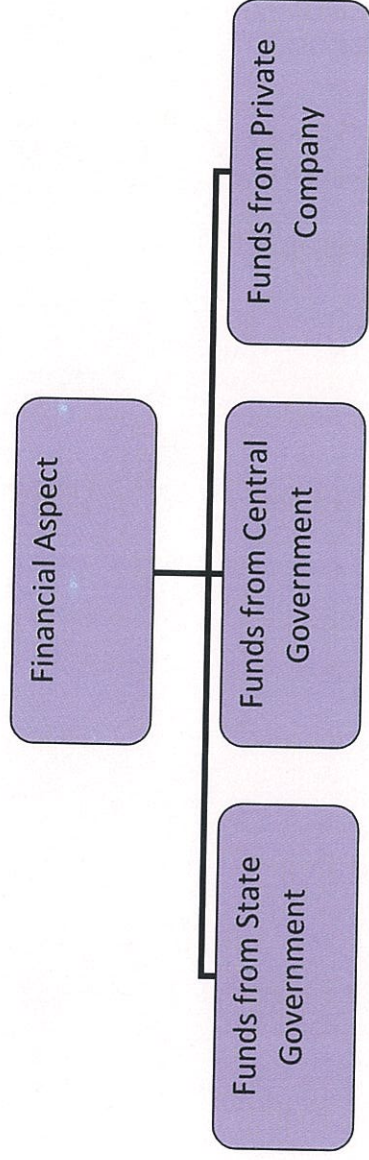

- Identify the prospective departments for applying such projects
- Efforts are to maintain the good ratio of students and teachers in all prospective departments.
- All departments are advised to initiate the interdepartmental projects.
- All departments require more field visits in industries and national laboratories.
- All are asked to initiate the outreach activities for different schools and colleges.

Methodology 6: Apply for SIRO to Department of Scientific and Industrial Research (DSIR), Government of India.

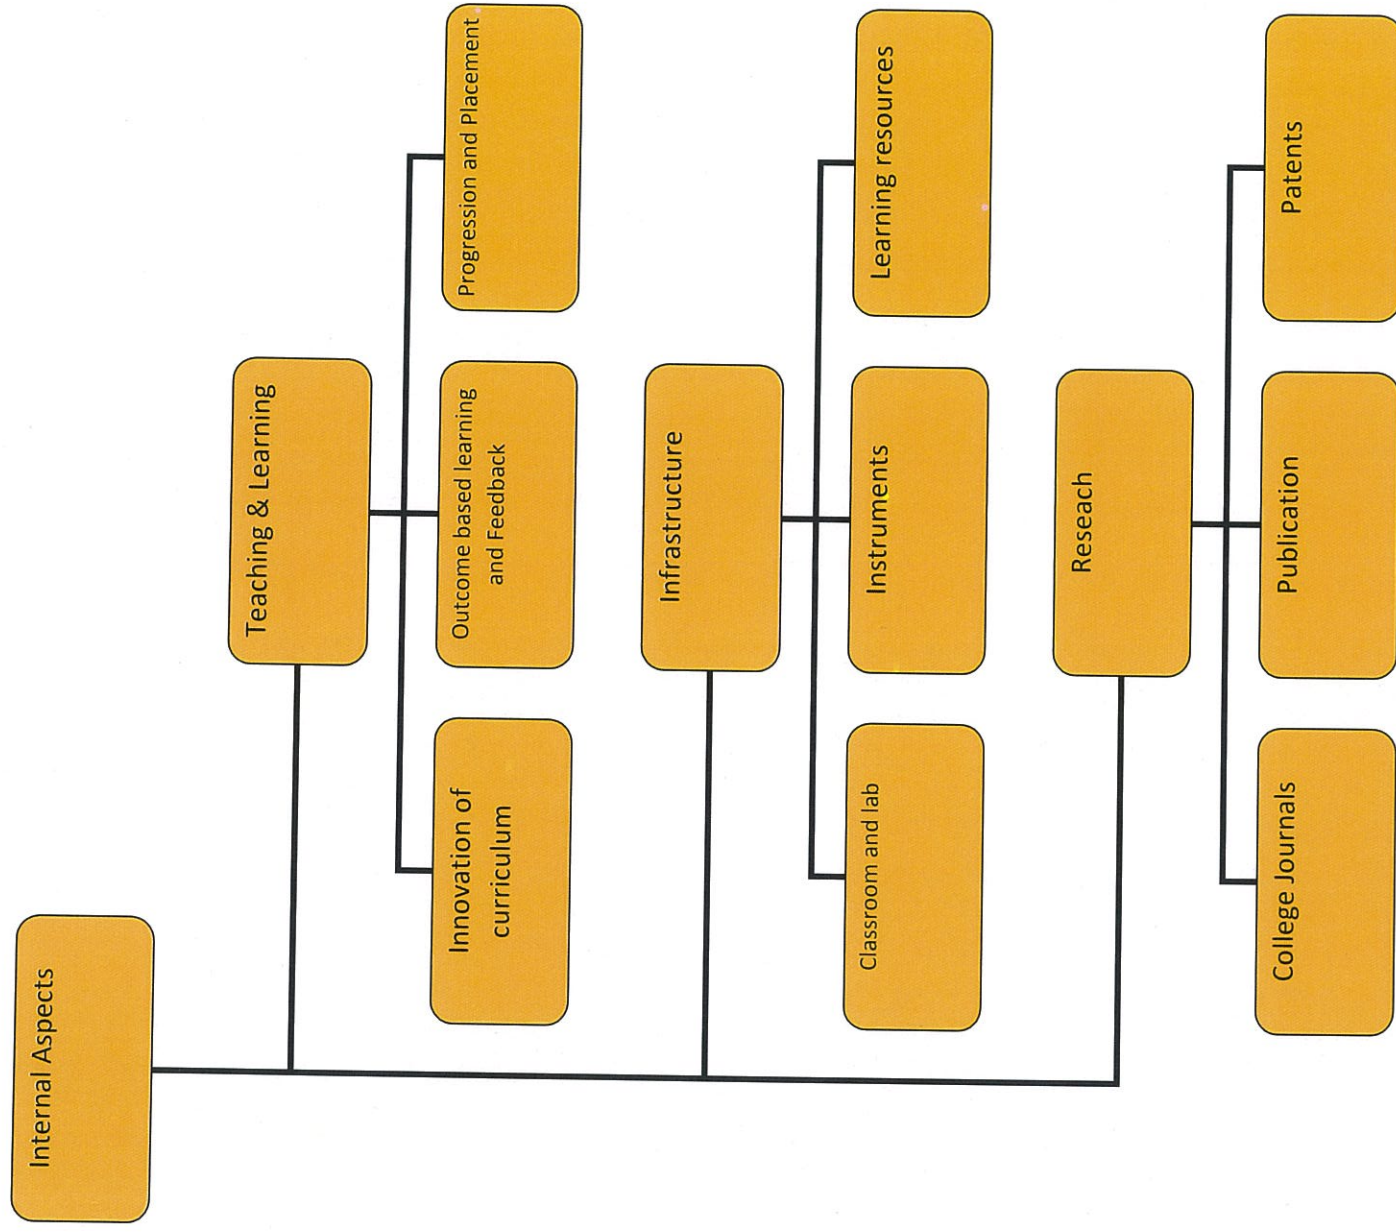

- Number of publications in Peer Reviewed High Impact Factor journals requires to be increased for selection.
- Teachers are asked to apply more number of Government and state funded projects.
- Teachers are encouraged to apply patents
- Research Advisory Board will take initiatives to recommend more numbers of eligible teachers as research guideship.
